Healthcare IT professionals from across the country along with our business partners will share ideas and best practices at our Annual Healthcare Technology Symposium.

Keynote topics will include:

- Current and future healthcare legislation
- The impact of HIT legislation on IT
- Technology and System requirements for a changing healthcare environment
- Staffing and skill set expectations to satisfy demand
- The CEO-CIO relationship as a formula for success

As an attendee, business partner, sponsor, or HIMSS member, this educational program is offered at no charge to you and your guests.

This is the fourth consecutive year that the Symposium will be held in conjunction with the Justin Timberlake Shriners Hospitals for Children Open, September 28-October 2, 2011 at TPC Summerlin in Las Vegas.
